**Proposed Program schedule for Curriculum Implementation Support Program (CISP)**  
**for allocated medical colleges**  
**3-day Curriculum Implementation Support Program (CISP)**

| <b>Day 1 (29/07/2019)</b> |  |   |                 |  |
|---------------------------|--|---|-----------------|--|
| <b>Time</b>               | <b>Session</b>   | <b>Objectives</b>   | <b>Duration</b> | <b>Faculty</b>                         |
| 9:00-9:30                 | Registration, inauguration, ice breaking                               | Ice breaking and introduction of participants and faculty   | 30 min          | Dr. Sunil Oza                          |
| 9:30-10:30                | Competency based medical education (CBME)                              | Definition of competency, Difference between competency, objectives & outcomes (with examples); introduction to CBME, salient differences from conventional model | 60 min          | Dr. Radhika Khara                      |
| 10:30-11:00               | Tea  |   |                 |  |
| 11:00-11:30               | IMG: Goals, roles & Competencies                                       | How to link national health needs to competencies and objectives  | 30 min          | Dr. M. V. Mehta                        |
| 11:30-12:30               | Deriving objectives from competencies                                  | Demonstrate linking of competency with domains of learning using the competency sheet   | 60 min          | Dr. Ajit Srivastava/ Dr. Radhika Khara |
| 12:30-13:00               | Linking competency objectives to Teaching Learning Methods (TLM)       | Hands-on experience - group work, small groups work with faculty, emphasis on proper alignment, discuss relevant TL methods                                       | 30 min          | Dr. Ajit Srivastava/ Dr. Radhika Khara |
| 13:00                     | Lunch  |   |                 |  |
| 13:45-14:30               | Proposed changes in Graduate Medical Education Regulations (GMER) 2019 | Time frame, training methods, integration, assessment, new additions like Foundation Course, formative feedback   | 45 min          | Dr. Sunil Oza                          |
| 14:30-14:45               | Tea  |   |                 |  |
| 14:45-15:15               | Electives  | Concept of electives  | 30 min          | Dr. Mayank Javia                       |
| 15:15-16:00               | Foundation Course  | Concept, components, timeframe & examples   | 60 min          | Dr. Mayank Javia                       |
| 16:00-17:00               | AETCOM module  | Purpose, mission and objectives & booklet review  | 60 min          | Dr. M. V. Mehta                        |

  
**Dr. P. Chavhan**  
**Dean**  
**Banas Medical College & Research Institute**  
**Palanpur-385001**

| Day 2 (30/07/2019) |                                     |   |          |                      |
|--------------------|-------------------------------------|---|----------|----------------------|
| Time               | Session                             | Objectives  | Duration | Faculty              |
| 9:00-11:00         | Early Clinical Exposure (ECE)       | Concept, framework & group activity                       | 120 min  | Dr. Ajit Shrivastava |
| 11:15              |                                     | Tea   |          |                      |
| 11:15-13:00        | Integration                         | Concept, framework (using examples from competency table) | 105 min  | Dr. Subhash Gujar    |
| 13:00              |                                     | Lunch   |          |                      |
| 14:00              | Aligning & integrating competencies | Designing time table                                      | 60 min   | Dr. Sunil Oza        |
| 15:00              |                                     | Tea   |          |                      |
| 15:15-17:00        | Skills training                     | Competency acquisition, Skills lab: group activity        | 105 min  | Dr. Ashish Kharadi   |

| Day 3 ( 31/07/19) |  |  |          |                   |
|-------------------|--|--|----------|-------------------|
| Time              | Session  | Objectives   | Duration | Faculty           |
| 9:00-10:00        | Assessment in CBME                                 | Principles as relevant to CBME, assessment methods | 60 min   | Dr. Gaurav Modi   |
| 10:00-11:00       | Aligning assessment to competency objectives & TLM | Group activity                                     | 60 min   | Dr. Rakesh Rajat  |
| 11:00             |  | Tea  |          |                   |
| 11:15-11:45       | Learning Resource Materials                        | Sharing/ discussion                                | 30 min   | Dr. Mayank Javia  |
| 11:45-12:45       | Curricular governance                              | Presentation & discussion                          | 60 min   | Dr. Gaurav Modi   |
| 12:45             |  | Lunch  |          |                   |
| 13:45-14:45       | The road ahead                                     | Training and faculty development                   | 60 min   | Dr. Subhash Gujar |
| 14:45             |  | Tea  |          |                   |
| 15:00-16:00       | Feedback from participants                         | Program evaluation and feedback on implementation  | 60 min   |                   |
| 16:00-16:30       | Open house   |  |          |                   |
| 16:30-17:00       | Valedictory  |  |          |                   |

Three days Joint CISP Workshop, July 29 to 31, 2019

FEEDBACK & COMMENTS

1. Reaction of participants for conduct & organization of CISP session:

What was good about the session overall?

- a. Conduct & process- Excellent team coordination and workshop was excellent and informative.

- b. Content- Good.

- c. Teaching learning method & Interactivity- Excellent.

- d. Answering your queries & apprehension- All the queries are answered properly. Some of faculty are rigid on behaviour and improper comment on participants during presentation.

- Rectify mistakes, it fine but attitude toward participant of such

- How this session could have been made better? Is intolerable.

- - Nothing to be changed.

- Concerns of participants regarding organizing CISP workshop at your own colleges

- - Excellent workshop organized @ our setup.

- Concerns of participants regarding implementation of new curriculum:

- - It is already started.

- Suggestion by participants regarding implementation of new curriculum at your own medical colleges: - Every faculty member should given chance to be part of committee. Not centered around anyone or anything.

- Any other remark: - Rest Nothing Particular.

- - Well applause for CISP workshop team and NEU team. Excellent workshop and happy to be part of this workshop.

• Suggestion by participants regarding implementation of new curriculum at your own medical colleges:

• Any other remark:

Concentrate on strengthening of  
infrastructure also.

MCI NODAL CENTRE, PSMC, KARAMSAD, GUJARAT

At Banas Medical College & Research Institute-Palanpur & GMERS Medical College-Vadnagar

Three days Joint CISP Workshop, July 29 to 31, 2019

FEEDBACK & COMMENTS

1. Reaction of participants for conduct & organization of CISP session:

*What was good about the session overall?*

- a. Conduct & process-

- one all were good

- b. Content-

- good

- c. Teaching learning method & interactivity-

- Excellent

- d. Answering your queries & apprehension-

Time to be reduced  
10 AM - 4:30 PM

- How this session could have been made better?

- yes

- Concerns of participants regarding organizing CISP workshop at your own colleges

- yes

- Concerns of participants regarding implementation of new curriculum:

- yes

- Suggestion by participants regarding implementation of new curriculum at your own medical colleges:

- also comments

- Any other remark:

MCI NODAL CENTRE, PSMC, KARAMSAD, GUJARAT

At Banas Medical College & Research Institute-Palanpur & GMERS Medical College-Vadnagar

Three days Joint CISP Workshop, July 29 to 31, 2019

FEEDBACK & COMMENTS

1. Reaction of participants for conduct & organization of CISP session:

*What was good about the session overall?*

- a. Conduct & process-

Very Good

- b. Content-

Very Good

- c. Teaching learning method & Interactivity-

Very Good

- d. Answering your queries & apprehension-

Excellent

- *How this session could have been made better?*

—

- Concerns of participants regarding organizing CISP workshop at your own colleges

—

- Concerns of participants regarding implementation of new curriculum:

Lack of faculty

- Suggestion by participants regarding implementation of new curriculum at your own medical colleges:

—

- Any other remark:

—

MCI NODAL CENTRE, PSMC, KARAMSAD, GUJARAT

At Banas Medical College & Research Institute-Palanpur & GMERS Medical College-Vadnagar

Three days Joint CISP Workshop, July 29 to 31, 2019

FEEDBACK & COMMENTS

1. Reaction of participants for conduct & organization of CISP session:

What was good about the session overall?

a. Conduct & process-

Very well conducted.

b. Content-

Very deep knowledge

c. Teaching learning method & Interactivity-

Good.

d. Answering your queries & apprehension-  $\rightarrow$  Nodal centres have to represent for faculty requirement to MCI / B.O.G. If NMC Bills comes, then there will be no inspection in medical college. Then private medical colleges ONLY will take one faculty per one department.  
How this session could have been made better?

- Concerns of participants regarding organizing CISP workshop at your own colleges

Participants are well trained and they are willing to implement new curriculum.

- Concerns of participants regarding implementation of new curriculum:

They are willing to implement new curriculum.

- Suggestion by participants regarding implementation of new curriculum at your own medical colleges:

No such suggestion.

- Any other remark:

$\uparrow$  Faculty requirement  
as specially M.D. faculties for  
Early clinical Exposures.

Three days Joint CISP Workshop, July 29 to 31, 2019

FEEDBACK & COMMENTS

1. Reaction of participants for conduct & organization of CISP session:

What was good about the session overall?

- a. Conduct & process-

Practical part

- b. Content-

Some topics are lengthy

- c. Teaching learning method & Interactivity-

Good

- d. Answering your queries & apprehension-

- How this session could have been made better?

more practical part needed

- Concerns of participants regarding organizing CISP workshop at your own colleges

Good

- Concerns of participants regarding implementation of new curriculum:

Good

- Suggestion by participants regarding implementation of new curriculum at your own medical colleges:

No suggestion

- Any other remark:

for small group teaching  
more faculties required

MCI NODAL CENTRE, PSMC, KARAMSAD, GUJARAT

At Banas Medical College & Research Institute-Palanpur & GMERS Medical College-Vadnagar

Three days Joint CISP Workshop, July 29 to 31, 2019

FEEDBACK & COMMENTS

1. Reaction of participants for conduct & organization of CISP session:

What was good about the session overall?

a. Conduct & process-

All the sessions are informative, very well liked by all faculties.

b. Content- Appropriate for this CISP

c. Teaching learning method & Interactivity- Very good  
↓  
Appropriate

d. Answering your queries & apprehension-

• How this session could have been made better? -

• Concerns of participants regarding organizing CISP workshop at your own colleges

More number of Faculties are required as there is more number of small group teaching etc. in new curriculum.

• Concerns of participants regarding implementation of new curriculum:

• Suggestion by participants regarding implementation of new curriculum at your own medical colleges:

• Any other remark:

MCI NODAL CENTRE, PSMC, KARAMSAD, GUJARAT

FEEDBACK & COMMENTS

1. Reaction of participants for conduct & organization of CISP session:

What was good about the session overall?

- a. Conduct & process-

Very well organised & conducted

- b. Content-

Content & specific

- c. Teaching learning method & Interactivity-

Practical, informative

- d. Answering your queries & apprehension-

Answered clearly

- How this session could have been made better?

- Concerns of participants regarding organizing CISP workshop at your own colleges

- Concerns of participants regarding implementation of new curriculum:

- Urgent increase in the numbers of faculty  
is the need of time esp for implementation  
of New Curriculum

- Suggestion by participants regarding implementation of new curriculum at your own medical colleges:

- Increasing the revised numbers of faculties  
or should be done by MCI or by  
Curriculum

- Any other remark: heel the MCI regarding the  
numbers of teaching.
